FIELD TRIP PERMISSION & EARLY DISMISSAL EMERGENCY PLAN

Student's Name _____ Birthdate: _____

Field Trip Permission: During the school year, teachers plan opportunities for students to visit places inside and outside the community. Some are walking trips; others require transportation by bus. They are a valuable part of the educational program and this notice is to inform you that they will occur from time to time. This notice is to inform you that we will do this without case-by-case consent unless a request is made in writing to a Principal, that a family requests consent prior to any trip away from the child's school's main campus. In the event that a trip is planned that necessitates transportation in ways other than by walking or bus, specific permission will be sought from parents and guardians for those trips.

Early Dismissal Emergency Plan: In the event of an early dismissal due to weather or other emergency, we will follow the plan below for your child. The district's auto-alert system will deploy a pre-recorded message tailored to the specific event to keep everyone informed and updated on the current situation. We ask that you review this plan with your child(ren).

In the event of an emergency early school dismissal, my child/children will follow this plan:
(choose only 1 option)

- Ride the bus home
- Walk/bike or take the ACTR bus home
