Our mission is to provide an innovative, rigorous, and supportive educational community that inspires a passion for learning and cultivates empathy and responsibility.

**OPEN HOUSE-THIS THURSDAY**

**Parent-Teacher Goal Setting Conference Window Now Open**

Teachers have begun the process of setting up parents goal setting conferences through the first weeks of November. This conference, which can happen at various times provided to you by your child’s teacher, is one of the steps in our reporting system to parents about your child’s learning goals and progress.

During this conference, your child’s teacher will provide you with baseline information of how your child is doing so far, and you will be able to discuss together next steps for this school year. You will also receive information about the standards your child will be expected to work to meet academically and in social areas.

We look forward to seeing you at your scheduled conference. Your involvement in your child’s education will make a significant impact on his success at school and is much appreciated.

**Salisbury Community School Open House**

Thursday, October 10th from 5:30-6:30
See you there!

Did you know?
We are hosting the
**ACSD School Board Meeting**
on Monday, October 14th.
6:30 PM
Visitors Are Welcome!

Several of our students have volunteered to present about our school.

**Opportunities for Family Involvement**

On the other side of this newsletter, you will see an invitation to join the Salisbury Partnership Team. This is a team of family members and teachers who work together to engage families with school in fun and relevant ways. Once we know who our members are, we will decide on a monthly meeting schedule.

Another opportunity to be involved is to join the **Friends of Salisbury Community School (FOSCS)**. This group works together to provide enrichment activities, like Everybody Wins!, the Vermont Symphony Orchestra, Movie Night and more. FOSCS group meets on the first Thursday of the month at 5:30.

There are also opportunities to be involved as a volunteer. If you would like to volunteer and help, please let your classroom teacher know. Sometimes we ask families to drive on field trips. Please know that in order to drive students, a record check and fingerprinting is needed. If you are interested in being put on the approved drivers’ list, please let Donna Simpson know and she will be able to instruct you on how to get approved.

We deeply appreciate any involvement our families have with the school, as it enriches our school community.
