Why Play With Addison United Soccer Club?

- **Community-based**—players train right here in Addison County.
- **Fun with friends**—teammates come together year after year from the greater Bristol, Middlebury, and Vergennes communities.
- **Modern skill development**—a new coaching program developed by Trevor Daniel, a former Olympic player and coach from St. Lucia, who has strong ties to Vermont.
- **Personal growth**—players learn teamwork, sportsmanship, and resilience.
- **Learn to love the world's favorite sport**—AUSC is working with other local clubs to build a love for soccer among all of Addison County's kids.
